EAZY SQUEEZE DISPENSER

Bracket

Dispenser

Citrogel is a unique new hand cleaner that uses the natural solvent squeezed from orange and lemon peels.

It contains NO petroleum solvents and that means it does not harm the environment. Citrogel is very effective in removing a wide variety of soils like ink, grease, oil, garden soil and most other industrial soils. Fits Easy Squeeze Dispenser.

Citrogel represents new hand cleaning technology for grease, oil, paint, ink, adhesives and general grime. It's the only industrial hand cleaner you'll need.

The handy wall mounted dispensing system, dispenses any type of liquid product including products containing abrasives and solvents. Simply screw it straight onto the container.

Eazy Squeeze is totally reliable and maintenance free with no moving parts.

Just squeeze and clean.

SILKWAX

Silkwax is a high gloss polish designed to be used on auto paint in good condition. It contains a unique blend of wax, polymer and silicone for a deep gloss wet look shine that lasts for months. It works great on glass and can be applied to a black car in direct sun light. It won't stain rubbers or rough finish bumpers and polish residue just wipes clean.

HIGHTECH DEOX

A polymer polish with superfine cleaning abrasive. For use on auto paint in average condition. Deox is designed to remove oxidation, swirls, 2000grit sanding marks, light scratching, swirl marks, tar, acid rain marks etc. Deox also contains wax and silicone to leave paint with a gloss finish. It may be used by hand or buffing machine.

SPRAY ON SHINE

Spray On Shine is ideal for washing cars when there is no water available, as a final pre delivery wipe over, for removing fresh contaminants (eg. tree sap, bird droppings, etc) or just a quick polish top up in between coats. Not recommended for heavily soiled vehicles. Can be sprayed over whole vehicle including bumpers, wheels and glass.

SUNWAX BUFF'N'WAX

Sunwax Buff'n'Wax is a silicone polishing cream and Carnuba wax. Carnuba wax is a hard compound wax that gives the polish better resistance to wear, thus extending the coat life. It is also great when buffed for extra long life shine. Sunwax is ideal protection for boats

PARTS WASHER

Parts Washer is a low flash solvent that is suitable for parts washing. It has a very low odour, low oil content, evaporates slowly and does not mix with water.

BRAKE CLEANER

Brake Cleaner will quickly and effectively remove brake dust. This is a high evaporating product.

PUMP UP SPRAY

Solvent resistant 1 litre pump bottle works well with Brake Cleaner, general degreaser and Seal'n'Shine tyre shine. Infact, most solvent based products.

ATTACK FLOOR CLEANER

A concentrated alkaline cleaner in powder form. Ideal for removing grime and grease from walls, tiles, concrete driveways, garages, etc.

(205 Litres)

CLEARVIEW

Clearview eliminates rainbow haze and leaves glass sparkling and clear.

PREP UP CLEANING CLAY

Prep Up Cleaning Clay used as part of the surface preparatory procedure removes surface contaminants and prepares the surface for polymer treatment. Excellent on automotive paint surfaces, chrome metal parts. Removes industrial fallout, rail head dust, over spray, surface rust, cement residue, brake ash, insects, tar etc.

WHEEL CLEANER

MW750
(750ML)

MAG WHEEL CLEANER NON HF

This product is incredibly effective, we believe it is the best product of its type. It works great on all types of mag wheels including painted, bare alloy, chrome and spoke. It contains a mixture of strong acid and surfactant blend to remove heavily baked on dust. It leaves mags shining like new, simply spray on, brush or wipe over with a sponge then rinse.

AIR FRESHENER

ANT5
(5 Litres)
